

SEP Success Story: uvex Group

With over 2,300 employees throughout the world, the uvex group offers innovative, high-quality protection products for sports, leisure and in the workplace in line with the mission statement, protecting people.

“Without the intensive help of the experienced consultants from SEP, and also the knowledge of SEPs IT Support, such a project would not have been realizable for the uvex group”

Peer Reichert, Head of IT at UVEX
