

Case Study: WALTER GERÄTEBAU

WALTER has been manufacturing economical and environmentally friendly cleaning systems for over 40 years. Our equipment not only meets individual customers demands but also conforms with international safety and environmental standards.

“We are lucky that SEP provides a huge set of supported hypervisors in particular KVM.”

Julia Ingelfinger, IT Administrator at Walter Gerätebau

- **Hyper-V and KVM**
- **MS SQL**
- **IMAP (Dovecot)**
- **Disk2Tape**
- **Disaster Recovery for Windows**
