

SEP Success Story: Le Centre d'Informatique pour la Région Bruxelloise

The Brussels Regional Informatics Centre (BRIC) is the ICT partner entrusted, within the Brussels-Capital Region, with any mission of computer, telematics and cartographic development.

"I can honestly say that SEP is the perfect solution for our HANA on Power environment."

Abdelhafid Boudount, IT Administrator at CIRB

- IBM Power
- 6 TB HANA 2.0
- SUSE
- Bare System Recovery
