Success Story: Jan-Pol

JAN-POL is successfully operating in the tourist market supplying a wide range of services to our foreign and Polish partners and guests. Amongst other things we organize holiday stays and cultural trips, and arrange accommodation, transportation and entertainment.

"We have recently switched from Citrix XenServer to KVM and SEP is the best backup solution if you have to deal with multiple hypervisor in your environment."
Adam Kowalski, Head of IT at JAN-POL

- KVM
- Micro Focus (OES, Groupwise)
- SUSE
- Backup-2-Disk-2-Tape
- HPE Hardware
